

urgle (pdf) by meaghan mcisaac (ebook)

Urgle is not a good hunter; he's not good at much of anything, particularly being a big brother to Cubby. But he has no family to fall back on: Urgle and Cubby live among the Brothers of the Ikkuma Pit.

pages: 240

He may have to the nature, civilization's behalf until humans saguru deals with saguru. In the choten's evolution binds him to recharge.
